

Town East Christian School

July 7, 2020

Dear Parents,

Spring Break seems like an eternity ago. I can only imagine your desire to return to normal. I honestly believe we are closer to this goal than most realize. Here is how it is shaping up for this year. We ended last year with around 80 students. We graduated three of those. This year we're projecting somewhere in the neighborhood of 90. Please pray with us as we continue to screen and enroll new students.

Dates to keep in mind: The book fee is now due. Paying this fee on time guarantees students will have books to start school with. After your book fee is paid, registration is confirmed for those who have pre-registered. We need to have as many students as possible on the first order. Book Fees are nonrefundable at this point. There is a parent orientation scheduled for Monday, August 17th at 7:00 PM. This will be a very important meeting. We will be meet in the auditorium.

Please find enclosed two documents. The first document, the "COVID-19 Action Plan", will hopefully answer most of the questions you have up to this point concerning the virus. According to the CDC, "While some children and infants have been sick with COVID-19, adults make up most of the cases to date." I really think we're going to be OK. The second document, the "COVID-19 Waiver", regrettably is necessary because Congress has failed to enact liability legislation to protect businesses upon reopening. If you have any questions concerning either of these forms, please contact the office.

Those interested in the "after-school program" need to contact Mrs. King for additional information. This is a separate registration. Be advised Mrs. Linda West is still in charge of this program. Please keep in mind, those on the twelve month plan are not invoiced unless late. The payment is due on the first of each month and past due on the tenth. Those not current by July 31st will automatically be switched to a ten month plan. Please do not drop cash into the mail slot.

My dear friends, I completely understand if you don't feel safe sending your children back to school just yet. I have a couple of grandchildren I'm a little anxious about myself. All I can promise you is that we will do everything within our power to keep them safe. If you would be interested in online learning to start with, I think that could be arranged. Love and miss you and yours. Enjoy the summer!

Respectfully,

Mr. King - Ps. 27:1

Book Fee \$ _____
