Dear Parents,

Here is how the 2021-22 school year is shaping up: We ended last year with around 76 students. We graduated five of those. This year we're projecting somewhere in the neighborhood of 90. Please pray with us as we continue to screen and enroll new students.

Here are some dates to keep in mind: The book fee is now due. Paying this fee on time guarantees students will have books to start school with. After your book fee is paid, registration is confirmed for those who have pre-registered. We need to have as many students possible on the first order. Book Fees are nonrefundable once the order is placed. There is a parent orientation scheduled for *Monday, August 16th at 7:00 PM*. This is always a very important meeting. We will be meet in the auditorium.

Those interested in the "after-school program" need to contact Mrs. King for additional information. This is a separate registration. Be advised Mrs. Linda West is still in charge of this program. Also, keep in mind, those on the twelve month plan are not invoiced unless late. The payment is due on the first of each month and past due on the tenth. Those not current by July 31st will automatically be switched to a ten month plan. Please do not drop cash into the mail slot.

We are looking forward to a normal school year. We thank God for the protection He graciously afforded us last year. God answers prayer! Rest assured, we will continue to do everything within our power to keep our children and grandchildren safe.

Respectfully,

Mr. King - Ps. 27:1
