

Town East Christian School

January 28, 2017

Dear Parents,

Please find enclosed our new Fee Schedule. This new schedule reflects no increase in fees, however, does reflect a different way we treat discounts for multiple siblings. Most accounts will not be affected. Some accounts though will show an increase. Please contact the office with any questions.

There are two plans to choose from: There is a ten month plan (begins in August) and a twelve month plan (begins in June). Notice a discount is available for those who choose the twelve month plan. Let me encourage you to seriously consider this plan, for budget's sake. Notice too, the sooner you pre-register, the more you save.

Be advised, for reasons beyond our control, that Town East will no longer practice corporal correction (swatting). We are in the process of restructuring our discipline policy. In the end, the new policy will place more responsibility on you, the parent. It is very important to have a valid e-mail address on file with the office. The "parent portal" will be our main source of communication under this new policy. Please contact the office if not already registered.

Remember, pre-registration is opened to the public in March. Don't delay! Fifty dollars per student secures a spot until July 10th. Estimates are that enrollment will increase by 20% with the new building. Please contact the office with any questions. We appreciate your prayers.

Respectfully,

Mr. King
